DESCRIPTION

Unisex 6-panel cap in an acrylic-wool blend offering a structured fit with a warm hand-feel. It features a gently curved peak and an adjustable snapback closure (One Size) for easy fitting. The seamless front panel is designed to simplify customisation, providing a clean area for logos and embroidery. The cap is offered in several colours, for example NAVY, RED or HEATHER GREY.

The cap’s details are practical: discreet stitching, a proportionate peak and a silhouette suited to everyday wear. Care is straightforward — light brushing and air drying will help maintain shape and fabric appearance. It pairs well with casual outerwear and streetwear styles.

This personalised cap can be customised from a single piece using embroidery, DTF printing, flex and transfer methods (screen print transfer, Transfert MSO). Suitable for companies, sports clubs, associations, events and private customers; our design studio can vectorise or retouch your logo before production.
