DESCRIPTION

Men’s short with a straight cut, designed for everyday wear and sports. Made from a cotton-polyester blend (80% combed cotton / 20% polyester), it features an elastic waistband with drawstring and practical side pockets. The length sits above the knee for comfortable movement while maintaining a clean look. Available in several colours such as Athletic Heather, Black and Deep Navy, and in sizes S to 3XL.

Details include a visible elastic waistband, straight hems and neat seams that tolerate regular washing. A detachable label simplifies rebranding. The use of CiCLO® fibres helps reduce microfiber pollution from synthetic fibres.

This personalised short can be ordered from one piece and suits companies, sports clubs, associations and private customers. Customisation options include embroidery, DTF printing, flex, screen printing, transfer prints, embroidered patches and tampography. Our graphic studio can revise or vectorise your logo prior to production.
