DESCRIPTION

Unisex 5-panel trucker cap in 100% polyester with a smooth, seam-free front panel designed for clear logo placement. The cap features a curved peak and a slightly padded front for a tidy, comfortable fit. It is available in several colour options, including Black and Black/White, and comes in One Size to fit most heads.

The mesh back provides good ventilation for outdoor wear and the snapback closure allows quick adjustment and reliable hold. The straightforward construction and flat front panel make the cap durable in use and easy to spot-clean when needed.

This personalised trucker cap can be customised from a single piece and fits companies, sports clubs, associations, events and private customers. Available marking techniques: screen printing, Transfer MSO, DTF printing, flex and embroidery. Our design studio can vectorise or refine your logo to ensure optimal print or stitch results on the front panel.
