DESCRIPTION

Unisex 6-panel cap with a structured crown, made of 80% acrylic and 20% wool. The flat visor features a floral print for a distinctive look while remaining comfortable thanks to the classic cut and ventilation eyelets. One size with an adjustable snapback closure at the rear.

The six-panel construction and stitched finishes deliver a clean fit; the flat brim keeps its shape for a consistent appearance. Available in several colours, for example Mint and RED. Care should follow guidelines for synthetic blends to preserve shape and the printed visor.

This personalised 6-panel cap can be customised from one piece and suits companies, sports clubs, associations, events and private customers. Possible techniques: screen printing transfers, MSO transfer, DTF printing, flex (heat transfer) and embroidery. Our design studio can vectorise or retouch your logo prior to production.
