DESCRIPTION

Unisex 6-panel cap made from 98% cotton and 2% elastane, featuring a structured fit and a flat visor for a contemporary look. Comfortable to wear thanks to the soft fabric and neat internal finishing, it is offered in several colourways including BLACK MULTICAM, MULTICAM and Multicam Tropic. One size with an adjustable snapback, suitable for everyday use by teams and individuals.

The six-panel construction gives the cap good shape and hold; visible seams and the flat visor deliver a clean silhouette. The snapback closure allows quick size adjustment. The photo shows a firm front panel that holds prints or embroidery well, making it appropriate for clear, high-quality branding.

Can be personalised from 1 piece on a wide range of textiles: personalised 6-panel cap using screen printing (transfer sérigraphique), Transfert MSO, DTF printing, flex or embroidery. Ideal for companies, sports clubs, associations, events and private customers; free quote within 24 hours on weekdays and a graphic studio is available to vectorise or retouch your logo.
