An RPET lanyard designed to carry badges and keys in a practical, sustainable way. It measures 20 mm wide and 2x90 cm long, offering a flat, comfortable fit around the neck. The RPET material provides good durability and a synthetic feel; this item is a non-textile accessory.

The lanyard features a metal clasp and a safety breakaway for secure everyday wear. Its width allows for clear, consistent marking along the strap. Available in multiple colours (for example Black, Blue, Red), it is lightweight and well suited to trade shows, events and reception use.

Customisable using screen printing on object, multicolour transfer, DTF printing, flex and sublimation. Suitable for companies, sports clubs, associations, events and private customers; personalised lanyard. Minimum order: 400 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; artwork studio available to vectorise or retouch your logo, pickup at our Evere workshop or delivery in Belgium, France and Luxembourg.
