DESCRIPTION

Unisex snapback in a structured mid-profile with six panels, offering a clean, contemporary fit. The cap features a stitched curved peak with visible topstitching and a matching under-peak, stitched eyelets and a top button. It is available in several colours, for example BLACK, DARK GREY and NAVY, supplied in One Size with an adjustable plastic snap closure that fits multiple sizes. The noted composition blends polyester, rayon and polyurethane to provide daily comfort and good shape retention.

The visible finishes include regular stitching on the peak and neat panel seams that enhance the cap’s structure. The snapback adjustment ensures a secure fit and the construction is designed to manage moisture for comfortable wear during outdoor and indoor activities.

Customisable from 1 piece, this personalised snapback is suitable for embroidery, DTF printing, flex, screen printing, transfer and pad printing, depending on the desired effect. Recommended for businesses, sports clubs, associations, events and individuals — our graphic studio can vectorise or refine your logo prior to production.
