DESCRIPTION

This 300 ml borosilicate glass mug has a straight, roomy profile suitable for hot and cold drinks. The glass features a glossy finish with a special coating for sublimation, enabling long-lasting prints. The molded handle provides a secure grip, the rim is smooth and the solid base improves stability. For longevity of the decoration, hand washing is recommended depending on the chosen printing method.

Designed for office use, events or corporate gifts, the mug's simple, sturdy construction reduces the risk of chipping. Its compact dimensions (Ø8 x 9.5 cm) make it easy to store and ideal for coffee, tea or desktop promotions.

Customisation available by sublimation, screen printing on objects and pad printing — suited to businesses, clubs, associations and events. Minimum order 12 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Free quote within 24 hours on weekdays and our design studio can retouch or vectorise your logo. Personalised mug.
