Average weight	0.047
Dimensions	6 x 4,5 x 2,3 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

The "Jazz" TWS earbuds provide wireless audio and hands-free call control with simple button operation. Packaged in a compact charging case, the pair are housed in a molded compartment that keeps them secure while topping up the battery. Constructed from recycled ABS, the set has a smooth finish and a portable footprint (6 x 4.5 x 2.3 cm) that makes them easy to carry; care is limited to gentle surface cleaning.

Each earbud features a control button for playback and call handling, and the charging case includes a micro-USB cable and LED charge indicators. Playtime is approximately three hours per earbud on a single charge, with additional recharges provided by the 185 mAh charging case.

Suitable as promotional items, these can be personalised earbuds using digital printing, doming or pad printing. Minimum order 50 pieces (colours and sizes combined) — smaller quantities may be possible for an additional fee. Recommended for companies, clubs, associations and events; free quote within 24 hours on weekdays, pickup in our Evere studio or delivery in Belgium, France and Luxembourg.
