DESCRIPTION

The Visiback backpack is made for urban use and situations where visibility matters. Its front panel is highly reflective PET for enhanced visibility, paired with a padded polyester 600D back for daily comfort and support. Compact at 22 x 10 x 39 cm, it is suitable for carrying essentials while remaining streamlined. It is available in several colours, for example Argent Mat.

The design includes a vertical external zip pocket for quick access to small items, a top carry loop and adjustable shoulder straps for comfortable wear. Reinforced stitching and a padded base improve durability and load distribution. Care is straightforward: spot-clean as needed depending on use.

Personalise this backpack with your logo using screen printing on objects. Please note the minimum order quantity: 25 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and private orders — we adapt your artwork to the reflective front for clear branding.

COLOURS (1)

Matte Silver
