DESCRIPTION

Visibrella storm umbrella, 23" (Ø103 x 59 cm), built to withstand strong gusts while remaining lightweight thanks to a fibreglass shaft and ribs. The PET canopy offers good durability and quick-drying properties; a black rubber ergonomic handle provides a secure grip and plastic end tips protect the frame. Manual opening makes it straightforward to use for everyday scenarios in corporate or event settings.

Visible details — neat seams, protected rib tips and a shaped handle — support frequent use and easy maintenance. The reinforced structure limits deformation in windy conditions and the umbrella folds compactly for storage. Available in several colours (e.g. Argent Mat) as stated on the product sheet; this promotional item is sold with a minimum order of 10 pieces (colours and sizes combined).

Customize this personalised umbrella using screen printing (screen printing). Suitable for companies, clubs, associations and events seeking practical, branded visibility. Our graphic studio can vectorise your logo; free quote within 24 hours on weekdays. Standard production, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
