DESCRIPTION

The Do Mel flip-flops are designed for summer and water-based use, available in sizes 38–41. The rubber sole features a polyester topcoat prepared for sublimation printing, while the slim PVC straps give a simple, comfortable hold. Overall dimensions (33 x 27 x 1.2 cm) indicate a relatively thin, packable sole. Care is straightforward: clean with soapy water and air-dry.

Practical details include a flat sole with pre-drilled holes for the straps and standard pin-type strap fixation. The PVC straps are water-resistant and the polyester-coated footbed accepts full-colour designs. The item is supplied only in printed form and comes in several colourways (e.g. black), making it suitable for beachwear and promotional giveaways.

Personalisation: these flip-flops work well for personalised flip-flops using sublimation or tampography to apply an all-over design or a small logo. Ideal for companies, sports clubs, associations, events and private buyers. Minimum order: 10 pieces (colours and sizes combined); free quote within 24 hours on weekdays, graphic studio available to vectorise or retouch your logo. Standard production and express options apply, with collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
