Composition	EVA
Material	EVA
Average weight	0.504
Dimensions	33.5 x 27.5 x 1.2CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

These Do Mel flip-flops in EVA are designed for summer leisure and water activities. The rubber sole with a polyester-coated top layer is intended for full-surface sublimation printing, while the PVC thong provides a lightweight, straightforward fit. They come in size 42-44 and are only available in a printed version.

The construction features a thin sole and a Y-shaped strap secured at three attachment points; the smooth printable surface accepts detailed artwork. Care is limited to rinsing with fresh water and avoiding harsh chemicals to protect the print.

Customisation is available by sublimation or pad printing, making these flip-flops suitable for events, clubs, associations, businesses and seasonal retail. Minimum order: 10 pieces (colours and sizes combined). A free quote is provided within 24 hours on weekdays and our graphic studio can prepare or vectorise your logo.
