Reference	6139
Composition	ABS
Material	ABS
Average weight	0.274
Dimensions	16 x 7,5 x 3,2 CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

The Moro wireless charger combines an alarm clock and temperature display in a bamboo-style casing (composition ABS). Compact at 16 x 7.5 x 3.2 cm, it sits neatly on a desk or bedside table. The blue LED screen shows the time and temperature; the device wirelessly charges any Qi-compatible smartphone (iPhone® 8, X and later models, some Androids). Supplied with a 2-pin AC-DC adapter; not suitable for use in the United Kingdom.

The unit features a slim rectangular profile with rounded corners and a black front panel housing the LED. The bamboo-look finish gives a natural, low-profile aesthetic while remaining easy to move. Care is simple — wipe with a soft, slightly damp cloth as needed.

Order this personalised speaker using DTF printing techniques: digital printing, doming, laser engraving or pad printing. Minimum order: 10 pieces (colours and sizes combined). Ideal for companies, hotels, events and associations; our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
