## DESCRIPTION

This cotton jump rope is designed for sport and fitness use. The unisex model pairs a cotton rope with wooden handles for a natural, comfortable grip. It comes with a cotton drawstring pouch for easy storage and transport. With dimensions 280 x 12 x 2.5 cm, the rope provides a practical length for standard skipping routines while remaining compact for storage.

The wooden handles and the woven cotton cord indicate a straightforward, robust construction suited to regular use. The pouch keeps the rope tidy and prevents tangling when carried. Care: spot clean by hand if needed and air dry to preserve the wood and cotton components.
