DESCRIPTION

Compact terracotta plant pot (6 x 5.5 x 5 cm) designed to grow forget-me-nots indoors or outdoors depending on local climate. Its tapered profile with a slightly rounded rim and flat base provides stability, while the porous terracotta material helps natural root aeration. A soil tablet and Forget Me Not seeds are included to get you started easily.

The pot's simple, natural finish makes it suitable for windowsills, tabletops or small garden corners. Made in the EU, maintenance is limited to regular watering and repotting when the plant outgrows the pot. Dimensions are 6 x 5.5 x 5 cm.
