DESCRIPTION

Small terracotta plant pot (6 x 5.5 x 5 cm) designed to grow a sunflower from the included seed and soil tablet. Its classic, compact shape and porous terracotta material make it suitable for indoor display or outdoor use depending on local climate. Supplied with a soil tablet and seeds, it is simple to plant and maintain—ideal for desks, event giveaways or window sills.

The pot is straightforward in use: no closures or technical features, just regular watering and adequate drainage. Available in several colour options (for example a wood-like finish among others), its modest dimensions make it easy to include in promotional packs or display stands.

This personalised plant pot can be marked by laser engraving, tampography or digital printing. Minimum order: 60 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays and our graphic studio can retouch or vectorise your logo. personalised plant pot
