DESCRIPTION

This unisex sports and outdoor bag in RPET is designed to carry drinks and small supplies while keeping them cool. With a 3-litre capacity it fits up to six cans; dimensions are 25 x 15.5 x 14.5 cm. The bag features a double-zip closure and an adjustable shoulder strap for easy carrying. The interior insulation (0.15 PEVA + 3 mm foam) helps maintain chilled drinks while the RPET outer fabric provides a more eco-conscious option.

A front flat pocket provides quick access to small items such as keys or wipes, and reinforced seams improve durability for outdoor use. The rectangular, stable shape makes packing and storage straightforward, and the exterior surface offers a useful area for branding.

Customize this personalised sports and outdoor bag with flex, screen printing on items, multicolour transfer or DTF printing. Minimum order 30 pieces (colours and sizes combined).
