## DESCRIPTION

This stemless glass is made from soda-lime glass with a rounded, wide bowl, perfect for serving cocktails, juices or cold drinks. It holds 420 ml and measures Ø6 x 10.5 cm, with a solid base that provides good stability. Supplied in an individual cardboard box, it suits both bar and dining settings.

The stemless design offers a comfortable grip and generous capacity without occupying much space. The smooth rim ensures pleasant drinking, while the slightly curved walls enhance handling and presentation. The clear finish showcases the contents, making it suitable for receptions, hospitality or corporate gifting.
