DESCRIPTION

This personalised sports and outdoor bag in jute is designed for daily shopping and cool outings. Its rectangular shape and dimensions (43x20x34 cm) provide a stable carrying volume, while the jute fabric gives structure and long-lasting wear. The interior is laminated to help keep contents cool and the top fastens with a Velcro strip for quick access.

Practically, it features long, sturdy handles and a large front canvas pocket ideal for keys, phone or cutlery. Piped edges reinforce the corners and base to reduce wear with repeated use. Its jute construction makes it a reusable alternative to disposable plastic bags.

Customisable from 20 pieces, the Campo De Geli accepts flex, screen printing on objects, multicolour transfer and DTF printing. Suited to businesses, clubs, associations, events or client gifts — our studio can vectorise and prepare your logo for marking. Minimum order: 20 pieces (colours and sizes combined).
