DESCRIPTION

This personalised bottle is a 500 ml sodalime glass bottle supplied with a mixed-material sleeve: a jute exterior for a natural look and a neoprene lining for better grip and protection. Its slim cylindrical shape (Ø6 x 22 cm) and screw metal cap make it practical to carry. Not suitable for carbonated drinks. Available in 1 colour (beige).

The sleeve covers the lower part of the bottle, improving handling and giving the bottle a more refined appearance. A wrist strap attached to the cap makes it easy to carry by hand. Clean the glass separately and treat the sleeve gently to preserve its appearance.

We can personalise this personalised bottle using DTF printing, object screen printing, multicolour transfer, flex, digital printing, laser engraving or pad printing. Ideal for companies, sports clubs, associations, events and individuals. Minimum order: 25 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; standard and express production options available; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
