Reference	6171
Composition	PP
Material	PP
Average weight	0.027
Dimensions	8 x 7,5 x 1,7 CM
Country of origin	China
Carton	300 pieces

DESCRIPTION

Practical privacy blocker set supplied in a PP case, designed to protect digital privacy. The kit includes a webcam cover for integrated screens, an audio blocker for 3.5 mm jacks and a USB data blocker; all components are made of PP and packed in a compact case (8 x 7.5 x 1.7 cm). The set is suitable for laptops, tablets and smartphones and is easy to keep clean with a soft cloth.

The molded case secures each piece for neat storage and transport. Components are lightweight yet robust enough for everyday use in public places such as airports or shared workspaces. The matte finish helps reduce fingerprints and keeps the set discreet in a bag or drawer.

Customisation available by digital printing, doming or pad printing. A minimum order of 150 pieces applies (colours and sizes combined). Recommended for businesses, associations, events, clubs and individuals looking for a personalised phone accessory to protect user privacy.
