DESCRIPTION

Medium gift bag (25 x 11 x 32 cm) made from recycled paper, designed to present a gift or carry lightweight purchases. Its straight, rectangular shape provides good structure for flat items or small boxes, while the twisted paper handles give a secure, comfortable grip. To maintain durability, avoid prolonged exposure to moisture and handle with care when carrying heavier contents.

The bag features a clean paper finish and twisted handles fixed at the top — no closure or inner pockets — making it a simple, practical solution for retail packaging and promotional gifting. It comes in several colours, for example black, blue or beige.

Customize this gift bag using digital printing, screen printing on objects, multicolour transfer, DTF printing or flex. Suitable for companies, shops, clubs, associations and events looking for branded packaging. Minimum order: 100 pieces (colours and sizes combined).
