DESCRIPTION

Grusa 27" personalised umbrella designed for everyday use and for a range of users. This unisex model features a large round canopy (Ø116 cm) and a fiberglass shaft and ribs that give it strength while keeping it lightweight. The straight ABS handle with a rubberised finish offers a comfortable grip and the opening is manual. The umbrella is offered in several colours, for example black, blue and royal blue.

In practice, the flexible fiberglass structure performs well in windy conditions and plastic tips protect the canopy edges. The manual closing mechanism keeps operation straightforward and the umbrella folds to a compact size for storage. The canopy material has a smooth appearance suitable for the listed decoration methods.

Personalised umbrellas like this are suited to companies, clubs, associations, events and promotional gifts. Available decoration techniques: screen printing on objects, multicolour transfer, DTF printing, sublimation and flex (heat transfer vinyl). Minimum order: 10 pieces (colours and sizes combined).
