DESCRIPTION

The Taslo shopping bag is a unisex RPET felt tote with a straight cut and a gusseted base (40 x 15 x 42 cm) that increases capacity compared with a standard tote. Made from recycled PET felt (2 mm), it delivers a structured feel and good shape retention, while the long handles make it convenient to carry by hand or over the shoulder. Practical to care for, it’s well suited to daily shopping, events and durable promotional use.

The photo highlights a clean, minimalist finish with discreet seams, reinforced handles and a flat base that helps keep contents upright. The bag is offered in several colourways — for example Grey and Stone Grey — and maintains a stable, upright profile when set down.

Customize this personalised shopping bag using screen printing, multicolour transfer, DTF printing, flex or embossing. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined).
