DESCRIPTION

Unisex 5-panel cap with a Prince of Wales pattern, designed for everyday refined wear. The 97% polyester and 3% elastane blend gives structure with stretch, while the curved peak and tailored fit ensure comfortable wear. It comes in several colour options (for example black, white, brown) and sizes S/M and L/XL, suitable for a range of uses.

Details include neat topstitching on the peak (8 rows) and a stretch headband for a secure fit across different head sizes. The Prince of Wales design offers a smart appearance while remaining durable for daily use; follow usual care guidance for polyester/elastane to maintain look and shape.

This cap can be personalised from one piece: we provide personalised 5-panel cap decoration by embroidery, DTF printing, screen printing transfer, MSO transfer and flex.
