DESCRIPTION

This unisex 5-panel cap offers a fitted cut with Flexfit technology for comfortable hold. Made from a polyester-viscose-elastane blend, it features a tartan design that adds character while remaining comfortable to wear. The curved peak and five-panel construction provide a structured silhouette suitable for everyday use; care is comparable to other polyester-blend garments.

Details include visible panel stitching, ventilation eyelets and a top button for a clean finish. Offered in two sizes (S/M and L/XL) and multiple colourways, such as black/grey and black/red, it combines fit and contemporary style for regular wear.

Customisable from one piece, this personalised 5-panel cap can be finished by embroidery, screen printing, DTF printing, flex (heat transfer) and MSO transfer. Recommended for companies, sports clubs, associations, events and private customers looking for a branded accessory.
