DESCRIPTION

Compact refillable car air freshener in a clear glass bottle with a beech wood cap, model Fresh Air. The small squared vial holds 5 ml (dimensions 2.7 x 2.7 x 4.8 cm) and hangs from a cord with an adjustable bead for easy placement in the vehicle. It can be refilled with essential-oil fragrances to restore a new-car scent.

The glass container and wooden lid give a natural, understated finish; the cord keeps it secure in the interior. Maintenance is straightforward: rinse before changing scents and allow the wooden cap to air dry. Sold in one wood colour; minimum order 100 pieces.
