DESCRIPTION

The Terra+ sports bag in RPET-PU is designed for gym sessions and short weekend trips. Sized 50x23x28 cm, it features a large main zip compartment for clothes and shoes, a front zip pocket and an internal zip pocket for smaller items. An adjustable, detachable shoulder strap and reinforced carry handles make it comfortable to carry. The bag is available in several colours — for example black and blue.

A reinforced base and PU details improve the bag's structure and protect contents. A mesh side pocket offers quick access to a bottle or small accessory. Visible stitching and zips in the photo indicate a build intended for regular use and easy care.
