DESCRIPTION

Stainless steel lunchbox with two compartments, designed for bringing a balanced meal to work or events. Made from food-grade stainless steel to help preserve freshness, it offers a total capacity of 1200 ml and compact dimensions (16 x 11.5 x 8 cm) for easy storage in a lunch bag.

The Double Chan model features sturdy side clips to reduce leaks and stackable compartments to keep foods separate. Its rectangular shape maximises usable space and simplifies cleaning. The brushed metal finish is durable and suitable for everyday use.

This personalised lunchbox can be marked by digital printing, doming, laser engraving or pad printing depending on the desired effect. Minimum order: 15 pieces (colours and sizes combined); smaller quantities possible with additional fees. Free quote within 24 hours on weekdays; in-house design studio can vectorise or retouch your logo. Ideal for companies, clubs, associations and private customers.
