Average weight	0.116
Dimensions	14.5 x 300CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Adjustable jump rope in PP supplied with a 210D RPET drawstring pouch — a compact, portable option for warm-ups and cardio. The Snel model measures 14.5 x 300 cm and features adjustable handles to change rotation speed. It is supplied in one colour: black.

The visible design shows slim handles and a flexible cable for smooth rotation; the pouch keeps the rope protected and folds away easily. The adjustable system lets users change the length quickly, useful for group sessions or on-the-go training. Care is straightforward: rinse if needed and air dry.

Personalise this personalised jump rope for corporate events, sports clubs, associations or promotional campaigns. Available marking techniques: Tampography, Screen printing on object, Multicolour transfer, DTF printing, flex. Minimum order: 50 pieces (colours and sizes combined) — lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays; collect from our Evere studio or delivery in Belgium, France and Luxembourg.
