DESCRIPTION

The Grownotebook™ is an A5 notebook designed for everyday use: a hard cover, spiral binding and 144 lined pages (72 sheets) made from sustainably sourced paper. Each notebook contains pine seeds (Pinus nigra) that can be planted after use, offering an eco-aware touch to your stationery. Dimensions are 14 x 21.2 x 1.5 cm; store in a dry place.

Practically, the spiral makes the notebook lie flat for comfortable writing and the hard cover protects pages during transport. The lined pages provide a neat writing surface and the compact A5 size is convenient for meetings, events and promotional giveaways.

Customize this personalised notebook using screen printing or digital printing. Minimum order: 18 units (colours and sizes combined). Suitable for businesses, sports clubs, associations, events and corporate gifts. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production, collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
