DESCRIPTION

Men’s crew neck sweatshirt in a classic cut, made for comfortable everyday wear. Constructed from a 70/30 cotton-polyester blend with set-in sleeves and 1x1 ribbed cuffs and hem, it offers a soft yet durable fabric and a removable label for easy relabelling. Available in several colours (including Athletic Heather, Black, Deep Navy) and sizes S–4XL, it suits teams, staff and associative or corporate use.

The plain crew-neck design makes the sweatshirt very versatile: ribbed finishes keep it in place and it’s easy to care for in regular washing. The set-in sleeves and neat seams provide a tidy appearance that holds up to frequent wear.

We can supply this as a personalised sweatshirt using Screen Printing transfers, MSO transfer, DTF printing, Flex or Embroidery. Ideal for companies, sports clubs, associations, schools and individuals; personalisation is possible from one piece and our studio can retouch or vectorise your logo.
