The Paloma sunglasses feature a PC frame in a classic unisex shape with UV400 protection to shield eyes outdoors. This model is available in one colour, black, and measures 14 x 14 x 4.5 cm, making it suitable for everyday wear. They are lightweight and simple to care for using a microfiber cloth and appropriate lens cleaner.

The image shows cork-covered arms, giving a natural look and improved grip behind the ear while the front frame remains smooth for comfortable wear. The lenses have a consistent tint and the discreet hinge details preserve a clean, practical appearance in use.

These personalised sunglasses can be marked by laser engraving and pad printing, making them suitable for companies, events, clubs and promotional gifts.
