DESCRIPTION

The Delta kite « Fly Away » is a beach product made from polyester 210T Ripstop with a wingspan of 160 x 75 cm, suitable for both children and adults. Lightweight and easy to handle, it folds into the included carry pouch for transport to the park or beach. The photo shows a slender frame and two ergonomic handles attached by flying lines for straightforward control.

The kite features a Delta shape with a tensioned structure and reinforcements that help it hold well in the wind; a storage sleeve is provided for neat packing. It is offered in several colours (for example Royal Blue) and the product page specifies a minimum order quantity of 40 pieces (colours and sizes combined).

This beach product can be personalised by screen printing, multicolour transfer, DTF printing or flex, depending on the desired finish. Suitable for clubs, associations, promotional events and companies looking for personalised beach products. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg. Our graphic studio can vectorise your logo.
