DESCRIPTION

Compact notepad of 50 herb-based sheets with a soft cover called Grow Me, designed as an eco-friendly paper office accessory. Size 10 x 7.2 x 0.6 cm, with repositionable sheets that let you write quick notes and stick reminders where needed. The cover is made from cultivation paper containing a seed mix: once used, the cover can be planted to produce wildflowers, giving the item a second life.

The herb paper displays a natural texture with visible fiber inclusions, lending an artisanal feel. The adhesive sheets function like standard sticky notes and the soft cover makes it easy to store in a drawer or bag. Its compact dimensions suit trade shows, events and shared workspaces.

Customisation is available by pad printing. Ideal for companies, clubs, associations, events and private customers seeking a sustainable promotional gift. Minimum order quantity: 92 pieces (colours and sizes combined). Our studio can edit or vectorise your logo; free quote within 24 hours on weekdays.
