Country of origin	China
Carton	20 pieces

DESCRIPTION

The Do Mel flip-flops are made of EVA and prepared for sublimation printing; they come in size 44-46 and are suitable for hot weather and water-based activities. The rubber sole is topped with a polyester printable layer while PVC straps give a straightforward, comfortable fit. The model is offered in 1 colour (for example black) and features a classic V-strap, a flat low-profile sole and a practical finish that’s easy to maintain.

Designed for summer use, the construction includes central strap fixation points and a textured underside for basic grip. Care is simple: rinse with water and air-dry — avoid prolonged exposure to high heat to protect the print.

These personalised flip-flops can be decorated by sublimation or pad printing, depending on the desired look. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house studio can vectorise your logo.
