DESCRIPTION

Rectangular lunch box measuring approximately 20 x 13.5 x 6.5 cm with a 1 L capacity, designed for carrying sandwiches and meals. The base is made of durable PP while the lid is natural bamboo, creating a clean, flat profile with rounded corners for comfortable handling. The design is compact and practical for everyday use at work, school or outdoor lunches; the bamboo lid gives a natural, refined touch. As bamboo is a natural material, slight colour and grain variations may occur and can affect the final decoration.

The lunch box features a flat lid that fits over the rim for easy stacking and transport. The overall finish is neat and the item remains lightweight yet stable on flat surfaces. The PP body is straightforward to clean; avoid harsh treatments on the bamboo to preserve its appearance.

Customisable from 10 pieces, this personalised lunch box can be decorated by laser engraving, screen printing on objects, pad printing, digital printing or doming depending on the desired result. Suitable for companies, sports clubs, associations, events and private individuals. Free quote on weekdays.
