DESCRIPTION

Double-walled PP cup with a 450 ml capacity, ideal for taking coffee, tea or cold drinks on the go. The tall, slightly tapered shape provides a comfortable grip and fits most cup holders. The double-wall construction reduces heat transfer to the hand while helping maintain drink temperature; easy to care for thanks to the PP material and compact dimensions Ø9 x 17 cm for everyday use.

The cup features a snap-fit lid with a drinking opening to reduce spills while travelling. The product in the photo shows a matte, uniform finish; it is available in several colours, for example Black and White.

This personalised cup is suitable for companies, sports clubs, associations and events. Marking options include screen printing and pad printing. Minimum order: 23 pieces (colours and sizes combined). Free quote in 24 h on weekdays and a graphic studio available to prepare or vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
