DESCRIPTION

Unisex 6-panel cap in recycled polyester, ideal for everyday wear. The cut follows the classic dad cap style with a curved visor and a soft, unstructured crown made from six panels for a comfortable fit. Fabric is 100% recycled polyester; care is straightforward — cold wash recommended to maintain the fabric and shape.

The photo shows an unstructured front, stitched eyelets on each panel and a metal buckle closure at the back for precise adjustment in one size. Seams are neatly finished for regular use and the overall silhouette is understated.

This personalised 6-panel cap is suitable for embroidery, screen printing, DTF printing and flex. Available in several colours, including BLACK, Light Charcoal and NAVY. Recommended for companies, sports clubs, associations, events and private customers; customisation possible from one piece. Our studio can vectorise or retouch your logo; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery to Belgium, France and Luxembourg.
