DESCRIPTION

A narrow jute gift bag for a single bottle (11 x 10 x 35 cm), designed to carry and present a wine bottle. Its upright shape with a flat base keeps the bottle standing, and twin twisted handles provide a comfortable grip. The jute material gives a natural, textured finish and a sturdy feel while remaining lightweight to handle.

The bag features reinforced side seams and a square base for good stability. The tall opening makes it easy to insert a bottle and protective filler; the woven jute surface stands up to normal handling and retains its rustic appearance.

Customise this gift bag using object-friendly techniques: screen printing, multicolour transfer, DTF printing or flex.
