DESCRIPTION

The Savasana cork yoga mat is designed for sport and wellbeing activities. Made from natural cork, it provides a slightly cushioned base at 0.4 cm thickness and includes a cotton carrying strap that also doubles as an exercise band. Measuring 183 x 61 x 0.4 cm, the mat is suitable for yoga, pilates and stretching routines. Care is simple: wipe with a damp cloth and air dry.

The cork surface is naturally porous, so appearance may vary slightly between items. The mat is finished plainly with no closures or pockets and comes in paper packaging for light presentation and storage. Well suited to yoga studios, sports clubs and eco-conscious corporate gifting.

Customisation available by laser engraving, screen printing for objects, multicolour transfer, DTF printing or flex. This is a non-textile promotional item with a minimum order of 5 pieces (colours and sizes combined); smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; standard and express production options available. A practical option for companies, clubs, associations and individuals seeking a personalised yoga mat.
