Reference	6272
Composition	Stainless steel
Material	Stainless steel
Average weight	0.338
Dimensions	Ø6.5 x 22.5CM
Country of origin	China
Carton	25 pieces

DESCRIPTION

This double-walled vacuum bottle in stainless steel with a bamboo finish (Tampere model, Ø6.5x22.5 cm) holds 400 ml and includes an internal tea infuser so you can brew fresh tea on the go. The bottle is leak-proof and pairs the durability of stainless steel with the natural look of bamboo; as a natural material, bamboo may show slight colour and grain variations that can affect the final decoration. For longevity, hand wash with warm water and remove the infuser for cleaning.

The bottle has a tall, slim profile with a screw cap fitted with a metal carry loop. The removable infuser simplifies cleaning and use. The wood-effect exterior provides a natural aesthetic, suitable for everyday hydration and both hot and cold beverages.

Customisation is available from a minimum order of 13 pieces (colours and sizes combined): we offer laser engraving, digital printing, pad printing and doming. Suitable for companies, sports clubs, associations, events and private customers; our graphic studio can rework or vectorise your logo prior to production.
