DESCRIPTION

Stainless steel double-wall tumbler with a 350 ml capacity, designed to carry hot or cold drinks while reducing heat transfer. Its straight profile and matte finish provide a secure grip and a restrained, professional look. Compact dimensions (Ø8.8 x 15.1 cm) fit most cup holders and bags. Easy to care for thanks to stainless steel and a PP lid.

The tumbler features a leak-resistant lid with a convenient drinking opening for use on the go. The double-wall construction helps maintain temperature and prevents external condensation. Metal-trim detailing around the rim enhances durability and simplifies occasional cleaning.

Customisation options for companies, sports clubs, associations, events or corporate gifts: personalised tumbler via laser engraving, DTF printing, screen printing on objects or pad printing. This item is not available per piece: minimum order 20 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
