DESCRIPTION

A compact bamboo stand that functions as a dual-coil personalised wireless charger, designed to hold a smartphone upright while charging. Its slim, angled profile and smooth bamboo finish provide a stable resting position, making it suitable for desks, reception counters or event tables. The charger measures 8 x 2.8 x 14.8 cm and is supplied as two parts requiring simple assembly. Note the minimum order below.

The unit includes a side power connection for the cable and an angled ledge to keep the device in place during use. As the product is made from natural bamboo, individual pieces show slight variations in grain and tone; the surface is easy to wipe clean. The inclined stand offers convenient screen visibility for calls and notifications while charging.

Customisation options include laser engraving, digital printing, doming and pad printing, making this charger suitable for companies, sports clubs, associations, events and private clients looking for a useful, natural promotional item. Minimum order: 30 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
