DESCRIPTION

Unisex 5-panel cap designed for everyday wear with a structured fit and curved peak. The stretch polyester blend gives a comfortable, secure fit; the cap is supplied in one colour (BLACK) and one size. It is low-maintenance and well suited to promotional, event or club use.

The adjustable metal buckle at the rear allows precise sizing, while the contrast under-peak adds a neat finish. The structured build keeps the cap’s shape after repeated use and the fabric has a smooth, technical appearance that takes marking well.

Customisable from one piece, this cap accepts embroidery, flex (heat-transfer vinyl), screen printing transfer, MSO transfer and DTF printing. Ideal for companies, sports clubs, associations, events and private customers. Our design studio can vectorise or retouch your logo. Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
