DESCRIPTION

Unisex 5-panel cap with a structured fit, made from a polyester/viscose/elastane blend for comfortable wear and slight stretch. The curved visor and reinforced front keep their shape, while the Flexfit technology provides an adaptive fit. Available in two sizes (S/M, L/XL) and multiple colours such as BLACK and CHARCOAL.

The fabric shows a finely heathered texture across the panels, complemented by embroidered eyelets and a top button for neat finishing. Well-defined panel seams give a clean silhouette and the construction maintains its shape when cared for according to the product instructions.

This personalised 5-panel cap can be ordered from one piece and is suitable for companies, sports clubs, associations and events. Decoration options: embroidery, DTF printing, screen printing transfer, MSO transfer and flex. A free quote is provided within 24 hours on weekdays and our studio can vectorise or retouch your logo.
