DESCRIPTION

Unisex 6-panel cap designed for everyday comfort. The polyester-elastane blend gives a slightly stretchable fit while the curved peak offers sun protection without bulk. Care is straightforward—gentle washing recommended to preserve shape and elasticity. Available in multiple colours (e.g. BLACK) and sizes S/M and L/XL.

Rear panels are perforated to enhance airflow around the head, useful during activity or warm conditions. The cap shows neat panel stitching on the front and a structured curved peak; the integrated Flexfit® technology provides a secure fit without an external adjustment. Mid-profile cut suitable for professional, club or event use.

Personalised 6-panel cap: customisation options include embroidery, screen printing transfer, MSO transfer, DTF printing and flex (flocking). Can be personalised from one piece for companies, sports clubs, associations, events and private customers; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
