DESCRIPTION

The Dudinka personalised bottle is a 500 ml double-walled stainless steel flask designed to keep drinks hot or cold throughout the day. Its slim, cylindrical profile with a gently tapered neck provides a comfortable grip, and the cap features a wood-effect finish that gives a refined look. Dimensions Ø6.5 x 26 cm make it practical for daily carry, commuting and outdoor use.

The stainless construction is leak-resistant and easy to maintain — a simple rinse and dry between uses keeps it hygienic. Its straight body fits most cup holders and bags for convenient storage.

This personalised bottle can be decorated by laser engraving, digital printing, screen printing (objects), pad printing or sublimation. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 13 pieces (colours and sizes combined); we provide a free quote within 24 hours on weekdays.
