DESCRIPTION

Unisex reflective PET tote ideal for everyday use and improving visibility in low-light environments. The Visi Tote has a rectangular base (42 x 9 x 38 cm) and long handles that allow carrying by hand or over the shoulder. The material has a matte, reflective appearance and is low-maintenance — surface dirt can be wiped clean with a damp cloth.

Practical details include reinforced top stitching, wide woven webbing handles for comfortable carrying and a boxed bottom that helps the bag stand upright and keeps internal volume consistent. Its simple, robust construction makes it suitable for handing out at events, trade shows or for regular retail use.

This personalised tote bag is decorated primarily by screen printing on objects and is suitable for companies, clubs, associations and events looking for a visible, functional promotional item. Minimum order: 50 pieces (colours and sizes combined); lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
